

Behavioral Insights and Parenting Lab

CHAT2LEARN

Small talk that makes a big difference.

What is Chat2Learn?

A free and easy text message program to promote children's curiosity – backed by research! Chat2Learn guides fresh and fun conversations with your child – chats to spark big thinking!

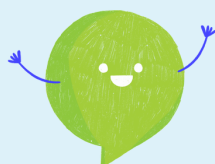

Who can participate?

All Illinois families of children 3-5 years old!

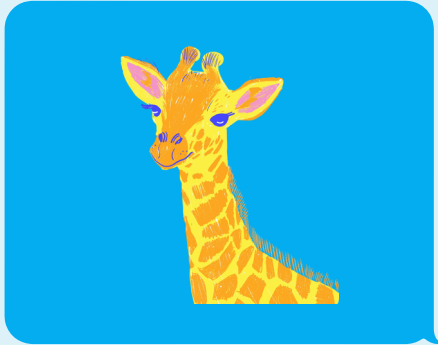

How do I sign up?

Please scan the QR code below or visit biplab.uchicago.edu/chat2learn/ to sign up!

What does a Chat2Learn look like?

Chat2Learn: What would it be like to have a giraffe as a pet?

Text back Jamie's response and we'll share more!

Mom: Jamie said it would be fun!

Chat2Learn: If you had a pet giraffe, where would you keep it?
